VI. Information Items

A. BNA Concessions Program Update

Ms. Margaret Martin, VP, Chief Development Officer, presented a chart of weekly concessions sales beginning August 2, 2020 through September 20, 2020. There were 3 new concept openings last week. Those concepts include Tootsie’s, Tennessee Brew Works, and Green Beans. Sales per enplanement were lower over this time last year due to the decline in passenger enplanements and the availability of open locations and sufficient operation hours.

On October 5, 2020, MNAA sent a contract penalty letter and invoice to Fraport. MNAA continues to work with Fraport on contract penalties. Thirty concepts were currently open.

B. Parking Facilities/Valet Services RFP Release

Ms. Martin briefed the Committee on this item. A Request for Information (RFI) was issued in July 2020 to solicit innovative and customer focused options for parking and valet services. 7 responses were received. Staff conducted interviews with 3 companies.

The current contract expires on June 30, 2021, therefore the Request for Proposal (RFP) is planned for release in October 2020 in order to have a recommendation to the Committee and Board in February 2021.

The RFP is being structured as 1 solicitation with 2 packages: one for parking and one for valet. A company can bid on one or both packages. Ms. Martin gave an overview of what would be included in the RFP.
