BNA® Cares

BNA | Nashville International Airport®

Accessible Parking Program

BNA Cares is the collection of programs, services and facilities offered at Nashville International Airport® to accommodate our passengers and visitors in need of special assistance in a variety of different areas. Our goal is to make the airport experience easy, accessible and welcoming for everyone. It's the Nashville way.

A featured component of BNA Cares is the Accessible Parking Program, which allows participants to park free at Nashville International Airport.

Purpose of Program:

To allow individuals with disabilities to register with the airport and receive complimentary parking at BNA®, when taking a flight out of BNA.

Who is Eligible for the Program:

Any individual possessing a valid Tennessee Department of Revenue-issued disabled person license plate/placard/decal.

Registering for the Program:

- Applicants must complete the BNA Cares Accessible Parking Program Application/Agreement. This form serves as a registration for the specific individual and specific vehicle.

- The Metropolitan Nashville Airport Authority (MNAA) will verify with the Tennessee Department of Revenue that the applicant's disabled person license plate/placard/decal is valid and when it expires.

- Once approved, MNAA will provide the applicant with:
  - Airport-issued Accessible Parking Program Complimentary Pass
  - Airport-issued Windshield Decal
  - Note: MNAA will provide an Access Card (hangtag) for individuals with difficulties pulling a ticket from dispenser.

- Airport-issued Complimentary Pass will expire with Tennessee Department of Revenue-issued disabled person license plate/placard/decal expiration date, and program participants will be required to resubmit for renewal into BNA Cares Accessible Parking Program.
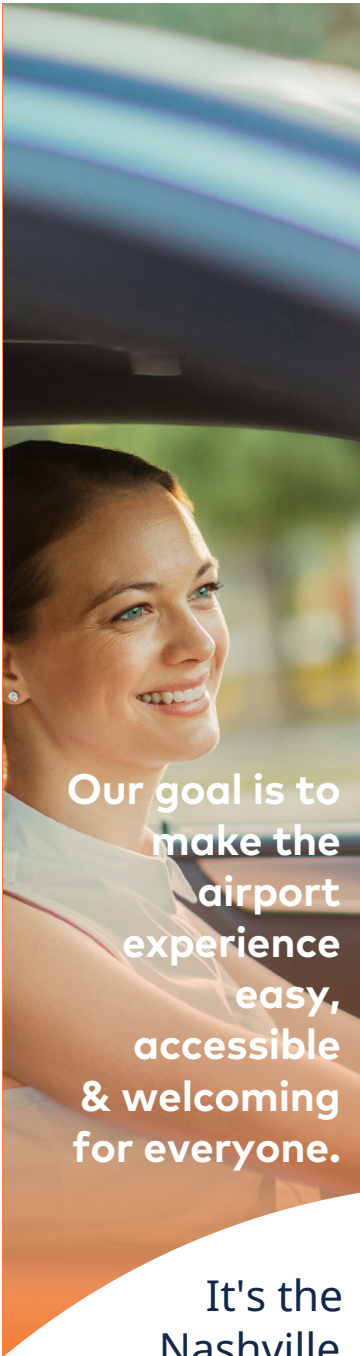

Our goal is to make the airport experience easy, accessible & welcoming for everyone.

It's the Nashville way.

Accessible Parking Program

How the Program Works:

- When entering BNA parking facility, program participants will pull parking ticket from dispenser in the customary fashion.

- Note: BNA will provide an Access Card (hangtag) for individuals with difficulties pulling ticket from dispenser.

- Upon exiting, program participant will need a valid driver's license, the airport-issued Accessible Parking Program Complimentary Pass and the airport-issued windshield decal.

  - Airport-issued Accessible Parking Program Complimentary Pass - to be shown to cashier upon exiting parking facility, along with matching driver's license for verification

  - Airport-issued windshield decal - to be affixed to windshield and visible to cashier upon exiting parking facility

- Program not valid for use in Valet Parking.

- All members are required to exit via a staffed cashier lane.

  - Cashier will check driver's license and airport-issued Accessible Parking Program Complimentary Pass and windshield decal.

  - Cashier will then manually process the transaction, receive supervisory approval and allow program participant to exit at no charge.

  - Program participant will be required to be in the vehicle at time of exit,

    OR

  - An alternate party driving the registered vehicle will be required to present the program participant's boarding pass, along with his/her airport-issued Accessible Parking Program Complimentary Pass.
