PART OF NEW HORIZON, THE \$3 BILLION
GROWTH AND EXPANSION PROGRAM AT BNA®

About the Concourse D Extension

The Concourse D extension adds five gates, new locations to eat, drink and shop, showstopping one-of-a-kind artwork and a moving walkway, all culminating in a stunning record node with floor-to-ceiling windows and panoramic views. It connects to the airport's first outdoor terrace, offering picture-perfect views of downtown and the airfield.

One-Of-A-Kind Art

"Twine with my Mingles" by Nashville-based artist Elizabeth Williams of New Hat Projects, a 180-foot-long piece that lines the moving walkway created by loom-style weaving custom-printed wristbands.
