5 FUN FACTS ABOUT AIR FRANCE'S NEW NASHVILLE SERVICE

Bonjour, Nashville! Air France is bringing its signature French art of travel to Music City with new nonstop service to Paris. Here are some facts to know about the new route:

1. PARIS IS JUST A FLIGHT AWAY...BUT IT DOESN'T STOP THERE

Air France's new nonstop service between Nashville International Airport® (BNA®) and Paris-Charles de Gaulle (CDG) launches May 14, 2027. Beyond Paris, discover easy connections to almost 170 destinations in its global network.

2. THREE TIMES A WEEK

Travelers can fly nonstop between Nashville and Paris three times weekly, with convenient connections to destinations across Air France's global network. The flight time is just under 9.5 hours.

3. FLY IN STYLE

The route will be operated by the Airbus A350-900, featuring 34 Business seats, 24 Premium seats, and 266 Economy seats, 324 in total. The A350 aircraft delivers a more quiet and fuel efficient experience, roughly 25% lower emissions compared to older competing aircraft.

4. A TASTE OF FRENCH EXCELLENCE

Expect the best of French elegance, from the products and partnerships we have on board, to the award-winning style and design you'll find during the journey. Air France partners with Michelin-starred chefs to curate its onboard menus, including Chef Daniel Boulud, who creates Business cabin menus for flights departing the United States.

5. A LITTLE FRENCH SPARKLE AT 35,000 FEET

Champagne is complimentary in every cabin on Air France flights. Globally, Air France serves more than one million bottles of champagne each year!
